Thinking Maps

Visual Tools that Get Results

The Thinking Maps Critical Reading and Writing For ACT is designed to assist teachers/schools with preparing their students for the ACT assessment through the use of Thinking Maps. Upon completion of the ACT professional development, participants will be able to:

- ◆ Provide students with visual vocabulary building strategies
- ◆ Build background knowledge and visual strategies for the English section
- ◆ Teach effective and visual critical reading strategies
- ◆ Prepare students for argumentative writing structure

To attend this training, you **MUST** be trained and proficient in the use of Thinking Maps.

If you are interested in sending one or more members of your staff to this TOT, please complete the registration form and fax or mail it to our office in Cary, NC.
