A program designed for educators who have been trained in Thinking Maps® and who desire to lead their schools or learning communities in acquiring additional information about how the Maps can be extended and adapted to meet all English language proficiency levels.

As Facilitators, you will be able to:

- * **Guide** your learning community in the study and implementation of Thinking Maps®: Path to Proficiency for English Language Learners.
- * **Lead** your learning community in understanding how Thinking Maps® can be adapted and extended to meet the specific needs of English Learners at all levels of language proficiency.
- * **Model** how Thinking Maps® can be used to assist with research-based English Learner strategies.
- * **Model** how to teach students to recognize and replicate text structures in written discourse.
- * **Guide** your learning community in developing differentiated lesson plans for all language proficiency levels of English Learners.
- * **Provide** practical applications to English Learner theory.
